

Support at every step of your career in pay with **CIPP membership**

Membership of the CIPP provides a wealth of benefits and support to ensure that, wherever you are in your pay journey, you have what you need to thrive.

If you are delivering a payroll, pensions and / or reward service, in-house or for clients, CIPP membership will give you access to a vast array of people, products and services. Keeping you at the forefront of the profession and giving you the confidence you'll need for a compliant operation and highly rewarding career.

Supporting your studies

CIPP membership is mandatory for all learners enrolling onto a Level 3, 4 or 5 qualification. Your membership will support you throughout your studies, giving you access to expert resources, practical guidance and a network of professionals to help you succeed – both in your learning and as you take your next steps in the profession.
